Does the website perform all the necessary functions? (e.g., login, checking LOs, change password)?

Yes it does

Is the website easy to navigate and understand?

Yes it is easy to understand and navigate

Are all the messages clear and helpful when incorrect details are entered?

Yes they are very helpful

Does the website respond quickly and perform actions within an acceptable time frame?

Yes it does

Are you satisfied that the overall website meets your needs and is ready for real-world use?

I am very satisfied and will highly recommend it.

Tell us how we can improve to make the website easier to use?

Write the Name of the learning outcome (description) so the student doesnt have to go and find what they have failed what they didnt.

Somewhat, as discussed with the team, the app might be applicable only to some LOs

---

Tell us how we can improve to make the website easier to use?

As discussed with the team: caching problem, and also nice to have an area to publish information to students about resit information.
